### Key Features

- BlackBerry® 6.0 OS: new interface featuring: application switcher & easy set up
- Tabbed web browsing
- Bluetooth
- 5MP Camera with Auto Focus & Flash

### Unique Selling Points

- **Multitask like Crazy with BlackBerry 6:**– With social feeds and views, you get updates from all your social networking and RSS feeds –like Twitter® and Facebook®–in one place. A new web experience includes tabbed browsing, so you can have multiple pages open at once. Multimedia applications are easier to use than ever, access your content with the universal search, it combs through everything on your Smartphone at once and even reaches out to the web.
- **Getting the Important things Right:**– Type as easily as you talk with the BlackBerry keyboard. Capture life's moments with 5MP camera. Built in GPS and a battery that lasts-just a few of the features that sets the Bold 9780 apart from the rest.

### Additional Features and Accessories

- Integrated Speakerphone
- Bluetooth
- Integrated GPS
- WiFi
